STEP ONE RALLY YOUR TEAM

4 teams of 6 players compete on a giant board, solving puzzles to buy property and (literally) break out of jail. This is a team game, but individual players are welcome!

PRO TIP: Book teams to save 5-20% OR save 25% with a full game buy-out!

STEP THREE START YOUR EXPERIENCE

Step onto the life-sized game board and get ready to roll the die! Buying property comes with a twist— complete a fun challenge to claim it or face an auction if you fail. Strategize with Chance and Community Chest cards, manage your empire wisely, and use special properties to your advantage—all while avoiding the dreaded Jail!

STEP TWO ARRIVE AT STAGE 1

Once you arrive, our staff will welcome you by scanning your tickets and checking you into your game. You'll then be taken to our gameplay briefing room where you will meet your special token guide who will lead the way through every twist and turn!

STEP FOUR VICTORY CELEBRATIONS

With the game behind you, it's time to head back to the Top Hat Bar. Treat yourself to some delicious refreshments—you've earned it!
